Main screen showing I've an update:

The screenshot shows the main interface of the Garmin Express application. At the top, there is a dark grey header with the text "Garmin Express" and standard window control icons (gear, question mark, minimize, maximize, close). Below this is a blue navigation bar containing a home icon, a smartphone icon representing the "Edge 1030" device, and the text "Edge 1030" with a green dot and the word "Connected".

The main content area is light grey and features a "Your Queue" section at the top right, indicating it was "Synced Today @ 16:47". The primary focus is a "Map Update Available" notification. This notification includes the text "Map Update Available", "Last Checked: Today @ 16:47" with a refresh icon, and "Estimated Install Time: 3 hours". There are two buttons: a blue "Install" button and a "Manage Maps" button with a blue border. A "View Details" link is also present.

Below the notification are three large, light grey tiles. The first tile is titled "Tools & Content" with a wrench and screwdriver icon, and the text "View settings, manuals & purchased content." The second tile is titled "Apps" with an "IQ" icon and the text "Manage the apps on your Edge 1030 Plus." The third tile is titled "Garmin Connect" with a circular "C" icon and the text "View your activities on Garmin Connect™." A vertical scrollbar is visible on the right side of the interface.

View Details button takes me to this:

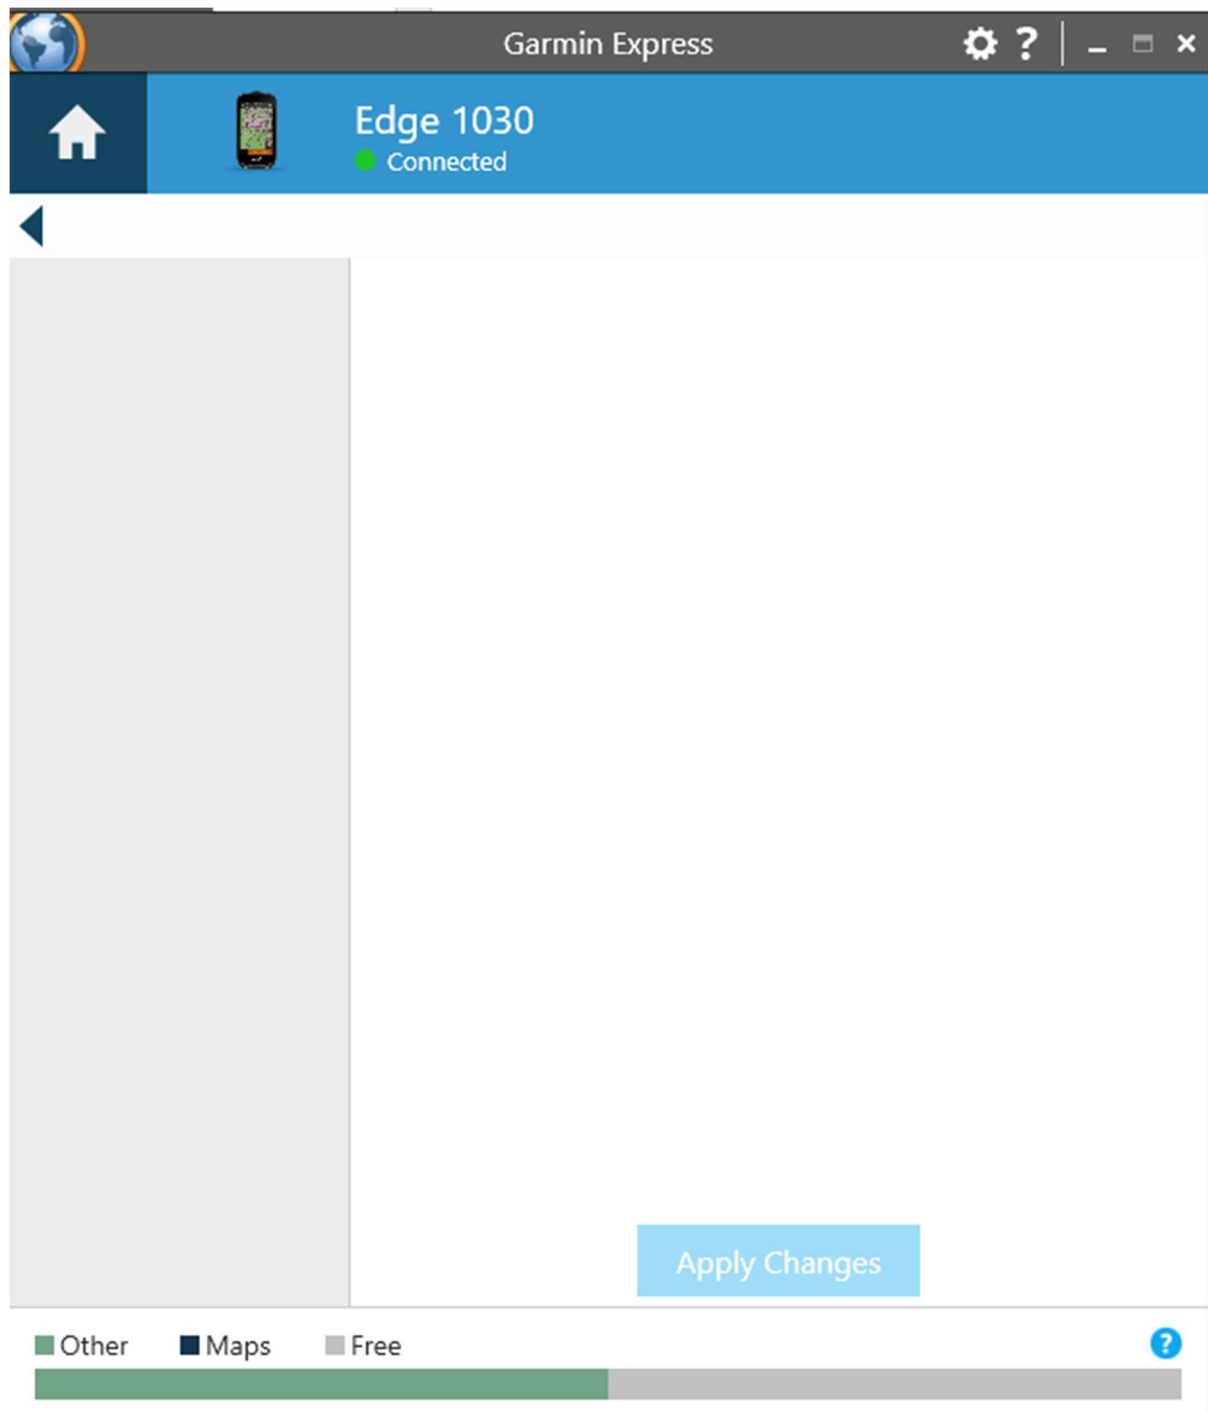

The screenshot shows the Garmin Express application window. The title bar reads "Garmin Express" and includes standard window controls (minimize, maximize, close) and a help icon. Below the title bar is a navigation bar with a home icon, a smartphone icon representing the "Edge 1030" device, and a green dot indicating it is "Connected".

The main content area displays "1 Update Available". Below this, a horizontal line separates the update details from the rest of the page. The update is titled "Routable Cycle map of Europe" and has an "Install" button to its right. The update details are as follows:

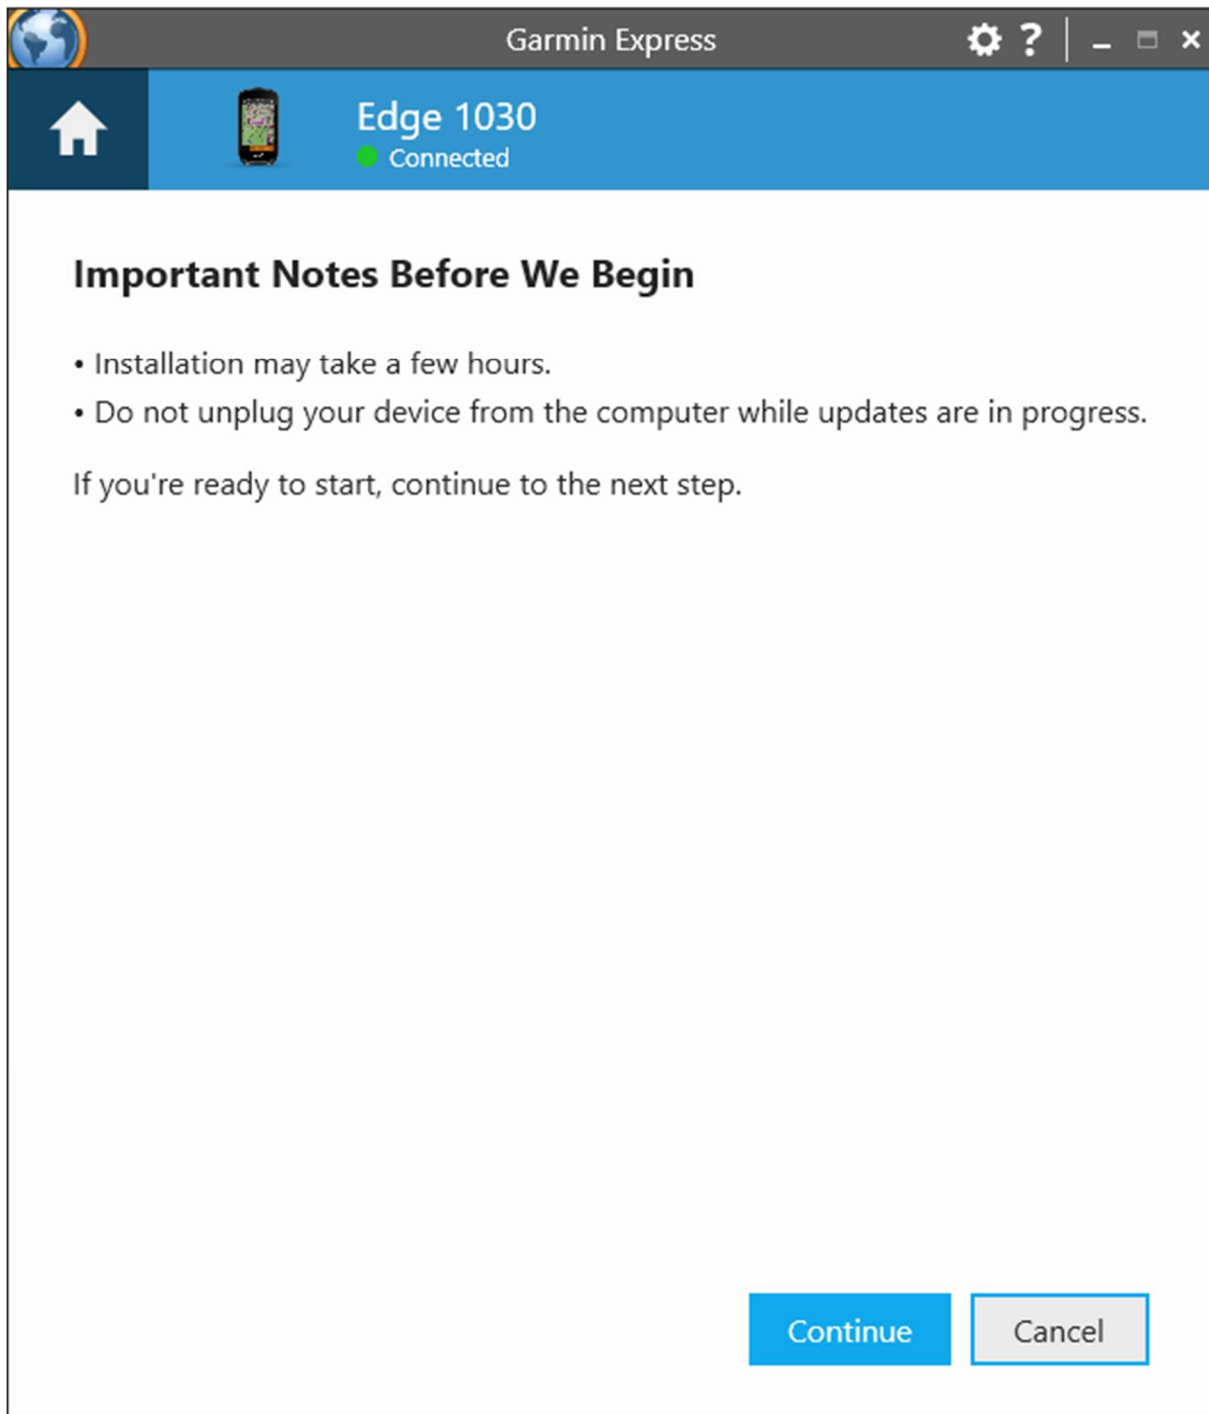

- Version:** 2020.20
- File Size:** 9.60 GB
- Installation Time:** 3 hours

A bullet point below the installation time indicates: "• Updates map data."

Manage Maps button showing very little:

Install button (from main screen) brings up this:

Clicking Continue...

... just brings you back here a few seconds later:

The screenshot shows the Garmin Express application window. The title bar reads "Garmin Express" and includes standard window controls (minimize, maximize, close) and a help icon. The main header is blue and contains a home icon, a smartphone icon representing the "Edge 1030" device, and a green dot indicating it is "Connected".

The main content area features a "Your Queue" section with a sync time of "Synced Today @ 16:47". A prominent notification for a "Map Update Available" is displayed, including the text "Last Checked: Today @ 16:47" with a refresh icon, "Estimated Install Time: 3 hours", and a "View Details" link. Two buttons are present: a blue "Install" button and a "Manage Maps" button with a blue border.

Below the notification are three large, light-gray rectangular buttons with icons and text:

- Tools & Content**: Features a wrench and screwdriver icon. Text: "View settings, manuals & purchased content."
- Apps**: Features an "IQ" icon. Text: "Manage the apps on your Edge 1030 Plus."
- Garmin Connect**: Features a circular refresh icon. Text: "View your activities on Garmin Connect™."

A vertical scrollbar is visible on the right side of the window.
